

ACADEMY ADVENTURES MIDTOWN

Public Charter School * Serving Grades K-5

2020-2021 Cloth Face Mask Policy

Academy Adventures Midtown will provide a safe and healthy environment for all students and staff when the building reopens for instructions. To ensure the health and safety of students and staff, the following policy will be in place.

1. All students and staff will be required to wear a cloth face mask while in the school building
2. All students and staff will be required to wear a cloth face mask, even if outside if the proper 6ft of social distancing cannot be met
3. Any person coming into the building (visitors, parents, volunteers, etc.) will be required to wear a face mask. If they do not have a face mask, they will either be giving a disposable face mask or asked to remain outside the building.

The only exception to a face mask not being worn includes:

- The person is 2 years of age or younger
- The person is having trouble breathing
- The person is unconscious, incapacitated or otherwise unable to remove a mask without assistance
- While eating or drinking at a safe social distancing of at least 6 ft
- Outside on the playground at a safe social distancing of at least 6 ft

This policy will be enforced until state and local officials deem it safe and unnecessary for face masks to no longer be used. Families will be informed when cloth face masks are no longer required at school.

I have read and understand the 2020-2021 Cloth Face Mask Policy. I understand that in order for my child to attend school in the building when it re-opens, they will be required to wear a cloth mask.
