

ACADEMY ADVENTURES MIDTOWN

Public Charter School * Serving Grades K-5

Thursday, August 13, 2020

Dear Parents/Guardians,

Per the notices sent via ClassDojo and REMIND, this is a reminder that there is a Parent Meeting tonight at 7:00 PM on Zoom, following our all school STEM class which begins at 6:00 PM. In addition to the meeting, please watch for a follow up phone call from the school to discuss the changes beginning August 17th and any questions and/or concerns you may have.

Based on the release of the benchmarks by the Arizona Department of Health Services (ADHS) on Thursday, August 6, 2020, Academy Adventures Midtown will be opening on August 17, 2020, for Distance Learning Support Services. This is different from In-Person and/or In Building Learning. Distance Learning Support Services is to allow students who need a “safe” place to go during the regular school hours to complete their work and attend their Zoom classes, when they are unable to do that from home.

The meeting on August 13th will go into detail on how the day will be structured. There will not be any teachers on site to teach your children, that will continue to be done via Zoom and other programs online. The school will have people on site to monitor your child to ensure safety.

Students will be screened upon arriving at school and be assigned a seat that they will remain in while on campus. Students will not have recess, but will be provided breakfast, snack and lunch which will be eaten at their seats. Face masks will be required by everyone (staff, students, visitors, etc.) and must be worn at all times in the building, with the exception of eating and drinking. Students will be socially distanced and there will not be any interaction between students.

Parents are required to let the school know the Friday before if their child will be at the school the next week. Please note, this is not a drop off service. Students who participate will be expected to be at the school by 8:00 AM and picked up at 2:15 PM. Students may arrive at school between 7:30 AM-7:55 AM (8:30 AM-8:55 AM on Wednesday). Students will not be admitted after 7:55 AM (8:55 AM on Wednesday) Before and after school care is not available at this time.

Space is limited based on the social distancing requirements.

If you have questions, please contact the school at 777-3757 and speak with Mrs. Campbell. We highly recommend attending the online meeting for more clarification and expectations. Notes from the meeting will be available after the meeting and posted in ClassDojo.

For further detailed information on the ADHS benchmarks, please visit this website:
